

# Enso Circle to Kendal Connect

## What residents will need to do

### Advanced prep:

- For phones and tablets, download the app **Kendal Connect**.  
(Apple users may need to know their Apple ID password)
- Confirm your login info to the current **Enso Circle** app. If not certain, log out (via "...More" or your profile picture) and back in again.
- If your password is unknown, have a Help Desk person enter a new one for you.

### On February 10:

- On phones and tablets, open the Kendal Connect app. For computers, go to [kendalconnect.mykendal.org](http://kendalconnect.mykendal.org).
- Log in using your Enso Circle credentials.
- Once you're logged in, Kendal Connect will work pretty much the same as Enso Circle did. You can then completely remove the Enso Circle app from your phones and tablets.

### That's all there is to it!

For the full story on Enso Circle, Kendal Connect, and our new document library portal, watch this video presentation:
